

**Just fine Molecular Biology**

---

**Loading Buffer DNA IV (10x)**

**Cat.-No.: 306105                      0,5 ml**

For Agarose Gels

Composition:

Bromphenol blue:            0,25%  
Xylene cyanol FF:            0,25%  
EDTA Na<sub>2</sub> (pH 8,0):        100mM  
Ficol 400:                      20 %  
SDS:                              1,0%

**Storage condition: RT**

<b>Catalog #</b>	<b>Pack size</b>
306105	0,5 ml

Version 1.2 09.2005
